Hello,

I just wanted to give you all a heads up that I will be down at OCWD for an event commemorating federal financing of this project with our Regional Administrator. Please let me know if you have any questions or if there are any local issues you are aware of which could come up from local media representatives that we might not anticipate.

Thanks,

Michael Montgomery
Assistant Director - Water Division
US EPA Region 9
415-972-3438
